Dear Madam:-

What are the prospects of booking your team with the Black Yankees for some Monday night in the near future.

This will be for the benefit of a local colored Church which is in need of funds.

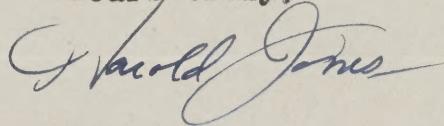

Game will be played in a brand new municipal stadium in this city, with a seating capacity of 2500.

If you cannot promote the Black Yankees, what other team could you get that would be a drawing card against your own team.

Game is to be played on a percentage basis, the Church getting 10% of the proceeds.

Please let me hear from you as soon as possible.

Yours truly,

HJ/rde.

P.S. Have been in touch with Gottlieb in Philadelphia and Leutchner in New York, but have had no response.

Dear Sir. In answer to your letter of ~~Black Yankees~~ July 12th I would like to know under what ~~the~~ terms you are asking the Eagles to play. Is the game to be played in the league park? What is the park rent - Who will handle publicity. Does the

Park have lights? What is the cost  
of the lights or is the Promotor willing  
to <sup>the League</sup> pay a guarantee of \$100<sup>00</sup> for a night  
game with an option of a percentage  
of the gate receipts

Will appreciate hearing from you  
as soon as possible. I would come to  
Kingston the following day.

Very Truly Yours
